| Foreword | vi | | | | | | |
| What Are the <i>Palette of Color</i> Monographs? | 1 | | | | | | |
| How to Use The Chemistry of Food Dyes | 2 | | | | | | |
| Employing Appropriate Safety Procedures | 3 | | | | | | |
| Part A: Teacher Background Information | | | | | | | |
| What Are Food Dyes? | | | | | | | |
| Natural Colorants | | | | | | | |
| Synthetic Colorants | 11 | | | | | | |
| Notes and Setups for Activities | 15 | | | | | | |
| Activity 1: How Does Color Affect Our Perception of Food? | | | | | | | |
| Activity 2: How Stable Are Natural Colors? | | | | | | | |
| Activity 3: How Stable Are Synthetic Food Colors? | | | | | | | |
| Activity 4: What Colorant Is Present? | | | | | | | |
| | | | | | | | |
| Supplementary Activities | | | | | | | |
| Cross-Curricular Integration | 24 | | | | | | |
| References | 25 | | | | | | |
| Part B: Classroom Materials | | | | | | | |
| What Color Do You Taste? | 29 | | | | | | |
| Activity 1: How Does Color Affect Our Perception of Food? | | | | | | | |
| Student Background 1: Uses of Food Colorants Throughout History | | | | | | | |
| Overhead 1: Original and Current Approved Synthetic Colorants | 33 | | | | | | |
| Why Are Roses Red and Violets Blue? | 34 | | | | | | |
| Student Background 2: How Does Nature Color Foods? | | | | | | | |
| Overhead 2: Structures of Some Natural Colors | | | | | | | |
| Activity 2: How Stable Are Naturally Occurring Food Colors? | 38 | | | | | | |
| What's In the Chemist's Palette? | 41 | | | | | | |
| Student Background 3: The Chemistry of Synthetic Food Colorants | 41 | | | | | | |
| Activity 3: How Stable Are Synthetic Food Colors? | | | | | | | |
| Overhead 3: Structures of Synthetic Food Colors | | | | | | | |
| Activity 4: What Colorant Is Present? | | | | | | | |
| Activity 5: Can This Be Yellow No. 6? | | | | | | | |
| Overhead 4: Synthesis of Yellow No. 6 | 55 | | | | | | |

| The C | Chemistry | of | Food | Dyes, | Terrific | Science | Press, | www.terrificscience.org |
|-------|-----------|----|------|-------|----------|---------|--------|-------------------------|
|-------|-----------|----|------|-------|----------|---------|--------|-------------------------|

| How Do We Know It's Safe? | 56 |
|---|----|
| Student Background 4: Governmental Use Restrictions for Color Additives | |
| Student Background 5: Risk/Benefit Analysis of Food Colorants | 57 |
| Addressing the National Standards | 59 |
